The SRRC abides by all United States Equestrian Federation (USEF) guidelines to maintain our show dates and remain in good standing.

Lessons for members of the SRRC must be taken under the supervision of the SRRC trainer or her designee unless prior permission has been given by the SRRC Board.

Lesson fees and scheduling can be discussed with the SRRC trainer directly depending on availability, frequency, and duration. Schedules for ring usage will be monitored through an online system.

No jumping shall be permitted at the Show Rings without supervision of the SRRC trainer or her designee.

No individual may act as a trainer/instructor at the SRRC Show grounds without written permission from the SRRC Board. All trainers must either be insured by the SRRC policy or must submit written proof of independent insurance to the SRRC Board along with proof of written certification through USEF.

The SRRC will not be held responsible for any accident, loss or damage occurring at the Smoke Rise Show Rings.

All participants must clean up after their horses as it is very important for the longevity of the footing that manure be removed from the footing immediately.

Use of the rings is weather-dependent. The Show Grounds will be closed at the SRRC Board's discretion based on ring conditions. Rings may be closed from November-April annually to insure the preservation and safety of the footing. Ring usage is at the absolute authority of the SRRC Board.

The rings are maintained by the SRRC and any operation of equipment such as: grooming equipment, show supplies, irrigation system, secretary stand, lighting, and jumps at the rings must be done with the approval of the SRRC Board. Independent usage is strictly prohibited without prior SRRC approval. No individuals may maintain/use the grounds without prior permission of the SRRC Board.

Safe and respectful conduct is expected of all SRRC members.
